

2019 MUSIC PLACEMENT PROGRAM FOR YEARS 7-12

Balwyn High is one of the leading Music and Academic schools in the State. In 2019, there may be a number of places in the school available for students who demonstrate talent in brass, voice, woodwind, string, guitar, piano and percussion. Please note: Only short listed applicants are required to attend an audition.

The criteria for determining music placement at Balwyn High School are as follows:

1. Short listed applicants in conjunction with an interview and supporting evidence will be required to attend an audition in order to demonstrate high level in musical ability (AMEB grade 6 and above).
 2. A commendable academic record in previous years' schooling.
 3. Demonstrated citizenship and potential for contribution to the life of the school.
 4. Demonstrated willingness to commit to the school's ensemble/choral program.
 5. A willingness to learn a second instrument if not already doing so.
- All prospective applicants must complete the 'Application for Music Placement' form and return it by Friday 1 June 2018.
 - Notification of audition and interview times from: Friday 8 June 2018.
 - The auditions and interviews will take place on the 20th and 21st June. Please ensure that you are available, during school hours, on these dates.
 - Applicants are required to play two contrasting pieces. An accompanist is optional: you may bring your own accompanist, or audition unaccompanied. The school does not provide an accompanist. Applicants who play more than one instrument may be asked to audition on both.
 - Places are very limited and for successful applicants, a place may not be offered until December.
