**Comments**

**Workbooks:** a reminder that workbooks are not included

**Note:** \*Adomania (Fr) Probably not available (a 2-year book). The WkBk **IS** compulsory – 2XH price allows separate \$32 purchase but so far we do not have an avenue to buy it.

**Access Codes:**

History Yrs 7-9: the Code is “Staff-Required” (compulsory)

So \*2XH books are priced by usual grading – reduced by the cost of the Reactivation code which must be bought.

Geog 7-10 & Maths 7-10: the Access Code is NOT “Staff-Required” and 2XHBooks will be at the usual gradings - with or without a used code - since it is not compulsory.

(Remember: the e-version of the book usually remains available after the code has elapsed, but our books are NOT suitably priced if you want the code’s optional extras).
