

**BUYING BY PRE-ORDER:** take requests to Office Accounts window or email below as soon as able (filled in same order as received). We cannot advise of specific availability ahead of time as books only arrive in the few days before Pack Day

**VCE 2XHBooks too late for Champion date:**

We are unlikely to be able to supply many VCE books in time for Champion order deadline (Nov 20 for Dec 11<sup>th</sup> delivery). Stock is not in – nor do we get access to the Assessment Centre until after Nov 28<sup>th</sup>. We expect a good supply of books – just not that early. But you can still order and then collect your VCE books from us from Fri Nov 30 4pm-7, then Sun 2<sup>nd</sup> 1-3, and later times as below.

**'MUST HAVE' Access Code:** if a Faculty declares this, then 2XH price is 65% of new, minus the code cost. (see shaded book). Any with code will be sold first (at 65%) – and then drop to lower price. For these you need to buy the code. **OPTIONAL Access code:** sold at usual 65% with or without the code, so a 2XHBook may not be a practical buy if you wish to have more resources than the usual free e-version of the book.

**Workbooks** are not included – as most are not clean.
