**VCE books too late for Campion date:** We will be unable to supply many VCE books in time for their order deadline (Nov 20 for special Dec 11<sup>th</sup> delivery). Our stock is not in – nor do we have access to a processing room until after Nov 28<sup>th</sup>. We are sure we will have a good supply of books – just not that early. Order and then collect our VCE books from Fri Nov 30 4pm-7, then Sun 2<sup>nd</sup> 1-3, and later times as below. (We are going to try to allocate any books in before the 20<sup>th</sup> - and advise buyers by text or email)

**‘MUST HAVE’ Access Code:** when Faculties declare this, then 2XH price is 65% of new, minus the code cost. (Or 65% of new if intact.) Any WITHh code will be sold first – and then drop to lower price and you need to buy the code.

**OPTIONAL Access code:** sold at usual 65% (or (75%) with or without the code, so a 2XHBook may not be a practical buy if you wish to have more resources than the usual on-going free e-version of the book.
