CONGRATULATIONS TO THE CLASS OF 2016 REFLECTING 'STRENGTH, PRIDE, BELIEF'

I extend my sincere congratulations to all students who completed their studies at Balwyn High School this year. The Class of 2016, totalling 349 students, have achieved outstanding results and have been fine ambassadors for the school. As a cohort they have continuously looked out for one another, participated in the full range of co-curricular programs, and they have at all times acted as strong role-models to their younger peers. They have been brilliantly supported by the Leadership, Senior School and Wellbeing Teams and all of their teachers.

It is with immense pride that I share the 2016 VCE results that were released on Monday 12 December with our school community.

We congratulate Julie Shen and Jason Wong on their perfect ATARs of 99.95 and the achievement of School Duces. Only 35 students in Victoria achieve this ranking. In reaching these phenomenal ATARs, Julie achieved a perfect study score this year in Chemistry and Maths Methods and Jason achieved a perfect study score this year in Further Mathematics and last year in Biology and Maths Methods.

- 21 students achieved an ATAR of 99 or above
- 57 students achieved an ATAR of 97 or above and will be inducted to our Honour Roll early next year.
- 22% of students achieved an ATAR of 95 or above, placing them in the top 5% of the state
- 38% of our Year 12 cohort achieved an ATAR of 90 or above, placing them in the top 10% of the state
- 15 perfect Study Scores of 50 were achieved in the following studies:

For our students the next important date will be in January when the VTAC Course Offers are released. We know that this is both an exciting and anxious time for them and wish all applicants all the very best for the various pathways that await them. Thank you for the marvellous ambassadors you have been for Balwyn High School.
